## Parking

The hotel car park is operated by ANPR (Automatic Number Plate Recognition). Please forward the code to your guests in order for them to have access to reduced car parking rates of £10 per day.

Prior to departure we recommend that your guests pay online via the below link by choosing the first option "Pay As You Go Parking" for a quick and easy exit.

We recommend paying online to avoid queues at reception, either by pre-registering the car registration details before arrival at the hotel, or by settling the charge once at the property. Upon departure the barrier will lift for your guests. Charges will only be made for those who have parked their car in the hotel car park.

Any residents should advise Reception of their car registration at any time during their stay prior to departure.
